

AUDITION REPERTOIRE LIST for both Preliminary (YouTube video) & Final (Live) Auditions for 2025 season

■ Points to note when performing audition repertoire

[Notes for the Preliminary (YouTube video) audition]

- Please prepare the music of the repertoire for the preliminary (YouTube video) audition on your own.
- All music scores are copyrighted, and the Hyogo Performing Arts Center Orchestra (HPAC) will not be able to provide copies. However, most of the pieces are published in "Orchester Probespiel" published by Schott Music, so please refer to this booklet. If you cannot find some pieces in this booklet, please prepare pieces by yourself, for example, by extracting it from a pocket music score or other source.
- If a piece does not have a measure number or rehearsal mark, but specifies a whole movement, please perform the whole movement.
- If there are no instructions regarding repetition, there is no need to repeat.
- If the score specifies Divisi (Div.), please play the upper part.
- Long rests may be skipped and the performance may go on.
- The recording of the concerto with or without accompaniment will not affect the results of the judging, so please choose whatever way is easiest for you to perform.

[Notes for the Final (Live) audition]

- Sheet music for the final round audition will be sent only to successful candidates the preliminary (YouTube video) audition.
- In the final audition, you must perform using the music provided by the HPAC. (However, please prepare your own scores for the concertos.)
- Playing repertoires and scope of music will be announced in the audition venue from the juries.
- There will be no piano in the audition venue. Concertos must be performed without accompaniment.
